

Advertisements A PRIOR MAGAZINE

size: 170 x 235mm (L x H)

Bleeding advertisements should have a bleeding area of 3mm. on each side.

If possible, please send a pdf high resolution file or a Quark XPress 4.1-file (Apple Macintosh). We also accept advertisements in Illustrator 10 or Adobe Photoshop (300dpi). DOS-formats are not accepted. Files should be sent on a cd-rom to the address below. Cd's will not be returned.

All images/imports should have a resolution of 300dpi and in CMYK or gray color mode. Please don't put any text less than 5mm from the edge!

If you don't send a pdf-file, please don't forget to put all used fonts/imports/images on the cd-rom. Please send a color proof with the cd on full scale and state clearly the contact person (+tel/fax/e-mail address) in case there might occur technical problems with the advertisement.

Send the advertisement to :
